The **ALEX AND ANI** brand is known for its commitment to creating meaningful, eco-conscious jewelry and accessories to positively empower and connect humanity.

"We share a passion for the wellbeing of our planet, our communities, and our individual paths. ALEX AND ANI products are proudly designed and crafted in America and made with love," according to ALEX AND ANI'S website.

The **ALEX AND ANI** Executive Board is a diverse, unparalleled group of innovators with experience in a multitude of industries. Led by Carolyn Rafaelian, Founder, Chief Executive Officer and Chief Creative Officer, the Executive Board constantly strives to develop new, cutting edge techniques to create sustainable products to enhance the lives of consumers. This visionary group is committed to developing and enhancing the ALEX AND ANI brand with the intent of spreading positive energy.

Empowering consumers to enter the charitable world through their purchases, a portion of proceeds from all **CHARITY BY DESIGN** products are donated directly to non-profit organizations who strive to enhance the quality of lives on Earth.
