OUR SIZE AND OUR STYLE

Meadow Lark Companies business volume topped \$100 million last year. Over 100 transportation professionals work out of the

headquarters in Billings, Montana. The transport operation and agents are coordinated from the satellite office in Gainesville, North Carolina.

We move more than 1,000 shipments every business day. We have personnel on duty 24/7 for our clients and customers. Carriers are paid very fast. We are so committed to the right deal that we have never, in 30 years, been in court over a shipment.

OUR WORD IS OUR BOND

Our heartfelt motto is on every page - we feel that strongly about it.

Our word is our bond. Integrity that delivers.

These are our by-words at Meadow Lark Companies. Business ethics are built into our hiring process, our training, our promotions and our customer service. Adherence to our internal code of ethics is paramount to success in a career at Meadow Lark.

Code of Ethics

- No Bad Deals. All Players Benefit from Association with our Company
- We are constantly in pursuit of excellence in our images and operations
- We do not compare ourselves to any other business, only to how WE were yesterday
- Our Word is our Bond
